Welcome to *Satira spa*
the exotic Thai herbal spa in
the heart of Huahin where
your body and mind discover
the true meaning of Happiness....

Satira, in Thai means "Longevity", a significance of well-being and long life. The basis of Satira Spa philosophy is to maintain and to enhance personal vitality through a holistic approach with longevity of happiness as the ultimate outcome.

At Satira Spa, all treatments ranging from aromatherapy, body scrub & mask, Thai traditional massage, facials, foot reflexology, are artful sessions.

Feel your senses awaken and indulge in sensuously soothing, pampering and rejuvenating spa treatments under the healing hands of our professionally trained therapists.

Every technique, every move are meaningful for your comfort and relaxation.

Satira products are made from indigenous herbs and spices combined with natural active-ingredients from botanical extracts and therapeutic pure essential oils. Our products are the result of a study of traditional Thai herbal therapies, the Thai approach to health that date back centuries.

Choose from our wide selection of spa treatments to experience the art of herbs that enhance and maintain your balance and well-being.

Satira brings you the longevity of happiness...
